The cure for obscure.

Make your vehicles highly visible in the dark with
3M™ Diamond Grade™ Conspicuity Markings Series 983.

Trucks, trailers and other large vehicles stand out day or night, rain or shine with Series 983 markings. They feature high reflectivity and wide angularity to ensure brightness and help increase safety.

Tough regulations have met their match. Series 983 meets or exceeds all FMVSS 108 requirements and includes the DOT-C2 Certification Mark. It's time to take your vehicles from obscure to obvious with series 983 markings.

Easy to see. Easy to apply.

3M™ Diamond Grade™ Conspicuity Markings Series 983 are strong and rigid with a high performance adhesive that holds securely to vehicles. Markings are available in rolls, packaged pieces or kiss-cut pieces on a roll. The easy-release liner makes installation quick and user friendly.

- ▶ High brightness with wide angularity
- ▶ On-site application training available
- ▶ Durable markings protected by 10-year, prorated warranty
- ▶ Vivid colors and bright whites

Available in a variety of roll sizes (continuous or kiss-cut) and strips.
